Dear all

The project NCV91621 is cancelled, I removed all the tasks in Microsoft project on line except:

Table with 7 columns: Task Name, Duration, Start Date, End Date, ID, Status, and Assignees. Rows include tasks like 'update/ save docs' and 'Layout / start from bench & ...' with various dates and assignees like Berengere Le Men, Alvaro Jorge De Melo Junior, Alexandre Apcher, Emile Marcos, and Virginie Duchemann.

By doing it, I received a long lists of tasks from the system. Honestly, don't know why the system is sending old tasks I removed. So ignored the email

Assignments have been updated on Project ncv91621.
